

**Vacation Bible School Volunteers
COOL KINGDOM PARTY**

High school and middle school students: We are in need of students to be group leaders and to help at stations and be actors in our skits. Each high school student would be in charge of a group of 7-10 elementary school students to guide them from station to station, participate in the activities, keep track of their supplies, and give assistance when needed. Middle school student would help and assist with the groups. Students involved are asked to come to an **informational meeting** and decorating for the week. DATE TBD.

ARE YOU INTERESTED IN HELPING US OUT?
